Dear Superman;

Since my last letter I decided to get going on the redesign of my shield. No sense in wasting time. Of course it will have to run it by the Vancouver Real Estate Superhero Syndicate for their approval but I think it will be ok. What do you think of it?

I haven't decided on colours yet because I wanted to get your feedback. I don't think I will use the colour grey because you're the 'man of steel' so that's off the table. The problem is that you also don't want me to use the colour blue, and since you wear red underwear on top of your pants for your superhero uniform. It's unlikely that you will be happy with my using red in my new shield as a colour choice. Then there is your yellow belt. So you can see my options are limited. We should chat on this point. Maybe send me a distress signal soon and we can meet up to discuss.

Anyway, don't worry about all this...I'm not too bothered by changing my shield design. Its time for an update anyway. I've been running around in the same superhero outfit since the 1800's. Did I tell you this month I helped two families buy homes here in Metro Vancouver? I love being a real estate superhero!

Yours Truly,  
The Man of Sales...
